

David G Weissman, PhD.  
[dgweissman@gmail.com](mailto:dgweissman@gmail.com)  
davidweissmanphd.com

### **CURRENT POSITION**

Assistant Professor, Department of Psychology, California State University Dominguez Hills

### **EDUCATION**

#### **University of California – Davis**

Doctor of Philosophy, Psychology, Developmental: 2018

#### **Alliant International University**

Single Subject Teaching Credential: Science, Biology: 2009

#### **University of Southern California**

Bachelor of Arts in Neuroscience, Magna Cum Laude: 2008

### **FUNDING**

R16GM154604

National Institute of General Medical Science

“Emotional granularity and interoceptive accuracy: Affective skills linking dimensions of childhood adversity with adolescent stress vulnerability”

August 2024-June 2028, Total Costs: \$735,000, Role: Principal Investigator

2024-25 CSUDH Research, Scholarship, and Creative Activity (RSCA) Award

“Examining affective processes contributing to CSUDH students’ mental health vulnerability and resilience following childhood adversity”

Total Costs: \$7,987 Role: Principal Investigator

#### **Prior Funding**

K99MH127248

National Institute of Mental Health: K99

“Emotional Awareness: An integrative neural mechanism linking childhood trauma with psychopathology”

April 2021-March 2023, Total Costs: \$245,538 Role: Principal Investigator

Sackler Scholars Programme Research Grant,

April 2019-March 2020, Total Costs: \$10,000

UC Consortium for the Developmental Science of Adolescence Seed Grant,

February 2016- July 2017, \$7500, Co-investigators: Amanda Guyer, Adriana Galvan, Sarah Tashjian

Predocotrinal Training Consortium in Affective Science Traineeship,

July 2016-June 2018, NIH Grant 5T32MH020006-18.

## **CONFERENCE PRESENTATIONS**

° first authored by undergraduate or post-baccalaureate mentee

**Weissman, D.G.** (2024, July) *Can public policy interventions reduce inequality in neurodevelopment and mental health? Evidence from the ABCD Study*. Community Anti-Drug Coalitions of America (CADCA) Mid-Year Training Institute, Chicago, Illinois.

**Weissman, D.G.** (2024, March). *Keynote: Can public policy interventions reduce inequality in neurodevelopment and mental health?* International Conference on Urban Mental Health, Amsterdam, Netherlands

**Weissman, D. G.,** Rubbani, S., DeCross, S. D., Kasperek, S. W., McLaughlin, K.A (2023, September) *Childhood violence exposure and neural mechanism of emotion generalization and differentiation*. Flux Congress, Santa Rosa, California.

**Weissman, D. G.,** Rubbani, S., DeCross, S. D., Kasperek, S. W., McLaughlin, K.A (2023, April) *Childhood violence exposure and the role of interoceptive accuracy and neural activity during interoception in transdiagnostic psychopathology in adolescence*. Society for Affective Science Annual Conference, Long Beach, California.

**Weissman, D. G.,** Rubbani, S., DeCross, S. D., Kasperek, S. W., McLaughlin, K.A. (2022, September) *Low interoceptive accuracy as a neural mechanism linking childhood trauma with adolescent psychopathology*. Flux Congress, Paris, France.

**Weissman, D. G.,** Hatzenbuehler, M. L., Cikara, M., Barch, D. M., McLaughlin, K. A. (2021, September) *Socioeconomic disparities in adolescent hippocampal volume and internalizing problems vary based on the cost of living and antipoverty programs of U.S. states*. Flux Congress, Virtual Conference.

**Weissman, D. G.,** Rosen, M. L., Sheridan, M. A., Sambrook, K. A., McLaughlin, K. A., (2021, May) *Dimensions of childhood adversity and neural response to threat cues*. Society of Biological Psychiatry Annual Meeting, Virtual Conference. <https://doi.org/10.1016/j.biopsycho.2021.02.169>

**Weissman, D. G.,** Rodman, A. M., Kasperek, S. W., Rosen, M. L., Sheridan, M. A., & McLaughlin, K. A. (2021, April). *Affective mechanisms of risk and resilience to stress from the COVID-19 pandemic*. Society for Research in Child Development Biennial Meeting, Virtual Conference

**Weissman, D. G.,** McLaughlin, K. A., (2020, December). *Neural mechanisms of stress sensitization to internalizing psychopathology*. Society for Epidemiological Research Annual Meeting, Virtual Conference.

Susman, E.S.°, **Weissman D. G.,** McLaughlin, K.A. (2020, June). *The influence of emotion awareness on neural function during emotion regulation*. Mind and Life Summer Research Institute, The Garrison Institute, Garrison, NY. Preregistration: [osf.io/7kf43](https://osf.io/7kf43)

Kim, S. G.°, **Weissman, D. G.,** McLaughlin, K. A., (2020, May) *Parental buffering of psychopathology development following childhood trauma exposure: The importance of child-perceived parental support*. Association for Psychological Science Virtual Poster Showcase

**Weissman, D. G.,** Hastings, P. D., Robins, R. W., Guyer, A. E., (2019, March) *Consequences of poverty and community crime exposure on Mexican-American adolescents' mental health*. Society for Research on Child Development Biennial Meeting, Baltimore, MD.

**Weissman, D. G.**, Guyer, A. E., Robins, R. W., Hastings, P. D., (2019, March) *Adaptive calibration of Mexican-origin adolescents' brain-autonomic coupling by prior threat exposure*. Society for Research on Child Development Biennial Meeting, Baltimore, MD.

Spivey, B. °, **Weissman, D. G.**, Guyer, A. E. (2017, November) *Associations between hippocampal volume and environmental stressors*. Annual Biomedical Research Conference for Minority Students, Phoenix, AZ.

**Weissman, D. G.**, Mendes, W. B. (2017, October) *Patterns and individual differences in autonomic balance during social evaluation*. American Psychosomatic Society Mid-year meeting, Berkeley, CA.

**Weissman, D. G.**, Robins, R. W., Hastings, P. D., Guyer, A. E. (2017, April) *Effects of depression on neurovisceral integration during emotion processing in Mexican-origin youth*. Society for Research on Child Development Biennial Meeting, Austin, TX.

**Weissman, D. G.**, Robins, R. W., Hastings, P. D., Guyer, A. E. (2017, April) *Income improvement across adolescence predicts increased default network connectivity in Mexican-origin youth*. Society for Research on Child Development Biennial Meeting, Austin, TX.

**Weissman, D. G.**, Gelardi, K. L., Conger, R. D., Robins, R. W., Hastings, P. D., Guyer, A. E. (2016, September) *Community crime exposure, neural response to sad faces, and adolescent externalizing problems*. Flux Congress, St. Louis, MO.

**Weissman, D. G.**, Hastings, P.D., Robins, R. W., Guyer, A. E. (2016, April). *Exposure to community crime and Mexican-origin adolescents' neural processing of emotional faces*. Society for Research in Adolescence Biennial Meeting, Baltimore, MD.

**Weissman, D. G.**, Schriber, R. A., Krafft, C., Robins, R. W., Conger, R. D., Hastings, P. D. Guyer, A. E. (2015, March) *Nucleus accumbens-based resting state connectivity networks: associations with substance use in Mexican-origin adolescents*. Society for Research on Child Development Biennial Meeting, Philadelphia, PA.

**Weissman, D. G.**, Schriber, R. A., Krafft, C., Robins, R. W., Conger, R. D., Hastings, P. D. Guyer, A. E. (2014, May). *Differences in nucleus accumbens connectivity associated with adolescent substance use*. Association for Psychological Sciences Annual Meeting, San Francisco, CA.

## **INVITED TALKS**

*Poverty's Impact on the Developing Brain*. Louisiana Court Appointed Special Advocates (CASA) Webinar Series. September 26, 2024

*Can public policy interventions reduce inequality in neurodevelopment and mental health? Evidence from the ABCD Study*. Community Anti-Drug Coalitions of America (CADCA) Mid-Year Training Institute, Chicago, IL. July 17, 2024

*Keynote: Can public policy interventions reduce inequality in neurodevelopment and mental health?* International Conference on Urban Mental Health, Amsterdam, Netherlands. March 22, 2024.

*State-level macro-economic factors moderate the association of low income with brain structure and mental health in U.S. children*. University of Washington Human Neuroscience Seminar. November 8, 2023.

*Job Market Panel.* UC Davis Center for Poverty Research Graduate Student Retreat. Davis, CA, September 19, 2023

*Stimulus and Response: Theoretical Advances in Early Adversity Research.* Diversity in Clinical Psychology Graduate Seminar, Florida State University. Virtual presentation. October 18, 2022.

*Stimulus and Response: Theoretical Advances in Early Adversity Research.* Clinical Affective Neuroscience Laboratory, University of California – San Francisco. Virtual presentation. June 1, 2022.

*Stimulus and Response: Improving Theoretical Rigor in Early Adversity Research.* Youth Development Institute, University of Georgia. Virtual presentation. November 10, 2021.

*Childhood trauma, emotions, and mental health: What the science of childhood adversity can tell us about how to support youth mental health.* Believe Conference. Child Advocacy Center of the Finger Lakes. Virtual presentation. November 3, 2021.

*Trauma and the teenage brain.* Massachusetts Grandparents Raising Grandchildren support group facilitator meeting. Virtual presentation. August 1, 2021.

*Neurodevelopmental Mechanisms Linking Childhood Trauma with Psychopathology.* Harvard Psychiatry Fellows first year seminar. McClean Hospital, Cambridge, MA. October 31, 2019.

### **TEACHING EXPERIENCE**

**California State University, Dominguez Hills, Carson, CA** January 2024-present  
Assistant Professor

Courses: PSY 351: Psychology of the Adolescent Experience  
PSY 550: Seminar In Developmental Psychology

**Harvard University, Cambridge, MA** September 2018-January 2024  
Postdoctoral Fellow

Course: Laboratory in Developmental Psychopathology (Stress and Development Lab meeting course)

Guest Lecturer

Course: Child and Adolescent Psychiatry Fellows Residency Training Program

**UC Davis Psychology Department, Davis, CA** September 2015 - March 2016  
Teaching Assistant

Courses: PSC 175: Genius, Creativity, and Leadership,  
PSC 142/HDE 102: Social and Emotional Development

**Mount Tamalpais College, San Rafael, CA** January-April 2016  
Instructor in Psychology at San Quentin Prison January-May 2023 (planned)

Courses: PSY 221: General Psychology,  
PSY 255 - Child Growth and Development

**East Bay Academy for Young Scientists. Berkeley, CA** September 2011 – June 2013  
Public Education Specialist

**Roots International Academy. Oakland, CA** August 2008 – June 2011  
Teacher, 7<sup>th</sup> Grade Science

## **AWARDS AND HONORS**

Harvard Brain Science Initiative Young Scientist Transition Award: 2021

Society for Research on Child Development Biennial Meeting Travel Award: 2017

University of California-Davis Center for Poverty Research Graduate Student Fellowship: 2014, 2016

National Science Foundation Graduate Research Fellowship, Honorable Mention: 2014

University of California-Davis Provost's First Year Fellowship: 2013

## **PREVIOUS RESEARCH EXPERIENCE**

**Stress and Development Lab, Harvard University** September 2018- January 2024

**Laboratories of Paul Hastings and Amanda Guyer,** June 2013- September 2018

**UC Davis Center for Mind and Brain**

**Laboratory of Wendy Mendes, UC San Francisco** June 2017-September 2017
